STUDENT COMPUTER USE AND INTERNET SAFETY

At Wilford School we believe that students' use of digital technology is a key method for making effective learning gains.

Staff will endeavour to ensure that children do not access inappropriate sites and information. The school has systems in place to minimise this risk.

The ICT Committee members are happy to discuss any queries you may have about our child using digital technology at Wilford School.

COMPUTER USE PERMISSION

I give permission for my child to be given access to the internet at school and be provided with a Google account which includes their own email address. (The Guidelines for Computer Use are over the page).

YES NO (please circle)

PHOTO PERMISSION

I give permission to use photographs of my child and/or their school work while taking part in various activities at school. These photos could appear on our school website, school Facebook page, school documents or in our school newsletter.

Specific permission will be sought if we wish to use photos of your child in other forms of media eg. Newspaper, T.V. etc.

YES NO (please circle)

GUIDELINES FOR COMPUTER USE

The following list has been developed so that all students understand the school's expectations about pc, laptop and iPad use.

STUDENTS WILL:

- Take care of the school's IT equipment.
- Respect other students' data.
- Provide a suitable usb drive, on which they will create, retrieve and store their data, rather than on school pc, laptop or iPad drives.
- Only access software provided by school (not bring data from home).
- Access the internet, and retrieve information from the internet, only with teacher direction.
- Only access information that is appropriate.
- Turn the computer on and off in the correct manner.
- Not attempt to corrupt or alter any files, applications or settings on the school's computer systems.
- Seek the teacher's help if something goes wrong.
- Keep food and drink away from the computer.
- Not access personal email or social networks at school.

I agree to follow the guidelines for computer use and the following:

- I will never give out any personal information over the internet or by email.
- I will never agree to meet with anyone I have met via the internet.
- If I come across an inappropriate site, or something I do not understand, I will show my teacher.
- I will not use the internet or email without teacher supervision and approval.
- I am aware that not all the information on the internet is true.
- I understand that if I break this agreement there may be consequences for me.
