We are a Ministry of Social Development Approved program, this allows qualifying families to apply for the WINZ OSCAR subsidy.

Need help with payment?

Work and Income (WINZ) OSCAR Subsidy

Out of School Care and Recreation (OSCAR) Subsidy is a payment which helps families with the costs of before- and after-school programmes, and school holiday programmes. It helps with the costs of before- and after-school programmes for up to 20 hours a week, and school holiday programmes of up to 50 hours a week.

For eligibility please refer to the WINZ website.

The payment is up to a maximum amount as per eligibility that can be viewed on the WINZ website. It does not pay the full child care amount. You will always need to top up the remainder owing.

If you apply for 20 hours and only use 10, we are legally required to charge for the 20 hours, as those are the hours you have also booked with us, and recover the remainder of the payment from you.

WINZ does allow some variation in hours without having to make changes, but an ongoing reduction in hours will mean changing this with WINZ.

Payment:

We require you to be in advance with your account. This means you will have to pay the full account until the WINZ payment is processed. We understand how difficult this may be for some in the first week or so, and we ask that you talk to us about your circumstances so we can make arrangements with you.

Afternoon Program:

After school care is provided from 3pm and runs until 5.45pm Monday - Friday (closed public holidays)

We include a healthy afternoon tea for the children, if your child has any special dietary needs, please ensure you include this on your enrollment form and let the team know.

We can usually accommodate most special dietary requirements.

After that, the children are free to play, while also being provided with many exciting and fun activities, games and crafts.

We employ a supervisory staff with a diverse range of interests and skills to keep the children occupied and sometimes even entertained!
